

## WOOSTER OILER YOUTH HOCKEY CORPORATE SPONSORSHIPS

We are pleased that you are choosing to support Wooster Oiler Youth and H.S. Hockey Programs!

Since 2002, Wooster Youth Hockey has provided support and guidance for our youth through a variety of programs associated with our hockey organization.

The good work that is being done at Alice Noble Ice Arena, through the Wooster Youth Hockey Program, would not be possible without assistance from organizations and individuals like you. Together, we can help the boys and girls in our programs become positive, successful adults.

As a FRIEND of OILERS HOCKEY, you will receive unique and prominent recognition at Alice Noble Ice Arena, as well as communications on the programs associated with the Wooster Hockey Program.

By partnering with us, you are entitled to event marketing and recognition in promotional materials based on your investment choice below.
